STRUAN KYLE Level 3 AAT Accountancy Apprentice (Dodd & Co)

“After completing my A Levels at sixth form I did not want to get into debt at University and I wanted to learn on the job. I really enjoy working for Dodd & Co and combining this with study at Carlisle College is great and really focuses you on your career and chartered status”

CONNER FISH Level 3 IT, Software, Web & Telecoms Apprentice (David Allen IT Solutions)

“After school I used the Carlisle College Apprenticeship vacancy service to secure my Apprenticeship. It was very straightforward and you are offered lots of help and advice through the process. It is great to get first hand experience in the work place with an established, well respected firm. I am really enjoying the world of work and earning money at the same time as studying at Carlisle College”

Chris Cork Level 3 Joinery Apprentice (Cubby Construction)

“After school I started Carlisle College full-time to develop the skills required for a joinery role to make me a stronger candidate for interview. My tutor at Carlisle College was my reference and helped me to apply for an Apprenticeship with Cubby Construction who I hope to continue working for and complete my foreman training”
