

Here at Carlisle College we can't wait to welcome you back to campus. We have been working hard to ensure the campus is a safe and secure environment for all, supporting you as you study on campus and online.

Your safety is very important to us. Here's what learning will look like if campus can safely open.

## PRESENT AND IN-PERSON MODEL

### FOR YOUR SAFETY

#### CAMPUS

The following safety measures could be put in place if necessary:

- Keep left signage
- Masks on the move
- Screens and barriers
- Hand sanitising stations
- Targeted cleaning across campus facilities

#### CATERING AND SOCIAL SPACES

The following safety measures could be put in place if necessary:

- Keep left signage
- Masks on the move

#### STUDENT LIFE AND COMMUNITY

- Online and on-campus services including student support, careers and employability
- A personal tutor for academic support

#### EXPERIENCE

- Contact with tutors and support staff
- Exceptional levels of one to one support

A COLLEGE OF  
**NCG**

#### LEARNING

- On-campus teaching and assessment
- Access to exceptional equipment / workspaces based on curriculum need

#### STUDENT ZONE

The following safety measures could be put in place if necessary:

- Hand sanitising stations throughout the Student Zone
- Social distancing markers in place
- Barriers and screens
- Keep left signage
- Masks on the move

### ACADEMIC LIFE

#### IT ACCESS

- Access an extensive range of PCs and laptops
- Access to industry specialist software
- Campus wi-fi access

## STAYING SAFE AS YOU STUDY

Here at Carlisle College we can't wait to welcome you back to campus. We have been working hard to ensure the campus is a safe and secure environment for all, supporting you as you study on campus and online.

Your safety is very important to us. Should public health guidance require a partial lockdown, here's what you can typically expect if your studies are split between online and on campus.

## HYBRID MODEL

### LEARNING

- Online and on-campus teaching and assessment
- Access to exceptional equipment/workspaces based on your course

### CAMPUS

- A blend of online and on-campus services
- Measures in place to ensure campus safety in line with Government guidance
- Social spaces will be open in line with campus safety measures and Government guidance.

### STUDENT LIFE AND COMMUNITY

- Online and on-campus services including student support, careers and employability
- A personal tutor for academic support

### EXPERIENCE

- Exceptional levels of one to one support
- New and returning students' induction with a hybrid programme of activities

### STUDENT ZONE

- Hand sanitising stations throughout the Student Zone
- Social distancing markers in place
- Barriers and screens
- Keep left signage
- Masks on the move

### STUDENT SUPPORT

- Online and on-campus services including student support through Student services, careers and employability
- Online and on-campus student wellbeing support

**SUPPORTING YOUR OFF-CAMPUS STUDIES**  
Here at Carlisle College we are doing everything we  
can to ensure you stay safe and feel supported as you study online.

Your safety is very important to us. Should public health guidance require a full lockdown, here's what you can typically expect if all your studies are online.

## ONLINE MODEL

### LEARNING

- All teaching and learning online
- Access to resources online
- Access to Student Zone resources online

### STUDENT SUPPORT

- Online student support through Student Services
- Online student wellbeing support

### CAMPUS

- Access to campus will be available for limited numbers of students in line with government guidance

### STUDENT LIFE AND COMMUNITY

- Online student support, including careers and employability
- A personal tutor for academic support

### EXPERIENCE

- Exceptional levels of one-to-one support
- Contact with tutors and support staff
