

ePortal

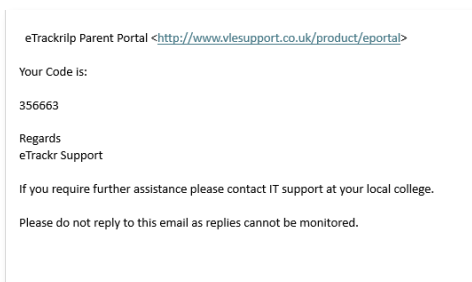

You will receive an email from the college which will invite you to log on to eTrackr and create a password. The link will take you to the login screen.

The image shows a screenshot of the eTrackr ePortal Password Reset form. It features the eTrackr logo at the top, followed by the title 'ePortal Password Reset'. Below the title is a user icon placeholder. The form includes input fields for 'Username', 'New Password', and 'Repeat New Password'. A note states: 'Note: Cannot be the current password, must be 8 or more characters and contain a letter and number.' At the bottom is a 'Change' button.

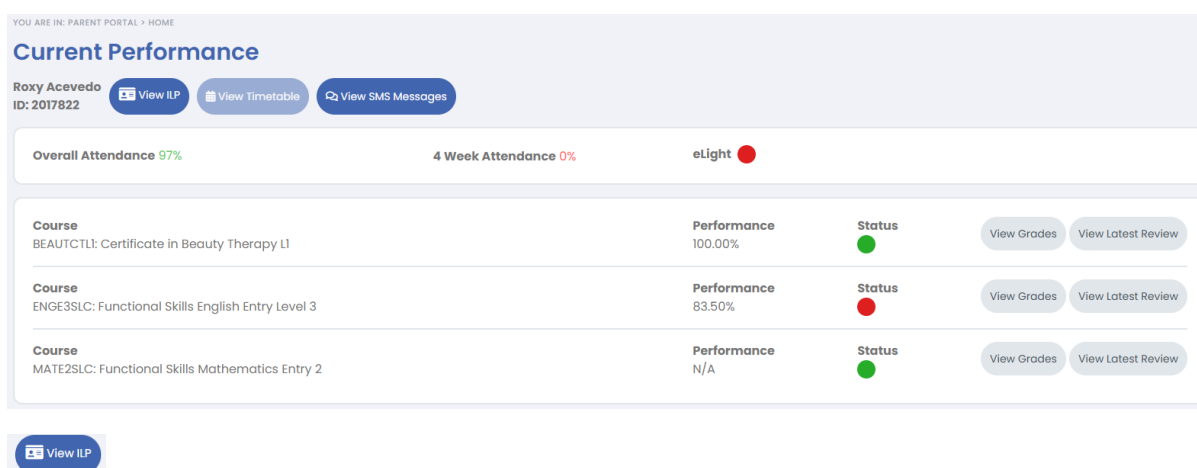

Your password needs to be more than 8 characters and contain letters and numbers.

You will then receive a code via email, which you need to enter to log in. If you do not receive it, please check your junk folder.

Once you have entered your code, you will be logged on to eTrackr.

You will see a summary of the current progress of your son / daughter / ward.

The image shows a screenshot of the 'Current Performance' section in the eTrackr Parent Portal. At the top, it says 'YOU ARE IN: PARENT PORTAL > HOME'. Below this is the student's name 'Roxy Acevedo' and ID 'ID: 2017822'. There are three buttons: 'View ILP', 'View Timetable', and 'View SMS Messages'.
